ADVENTURE

Glam  
it up

Want to copy Sharpay's sassy style in her fab new movie? You got it! Follow the advice of Tom McKinley – the costume designer from SHARPAY'S FABULOUS ADVENTURE – and find out how you can turn heads with his top fashion tips for all wannabe Sharpays...

**TIP ONE: WEAR PINK!**

"If you want to look like Sharpay, just add some pink to your wardrobe. It can be any shade of pink: hot pink, pale pink, bubblegum pink, fuchsia pink... It all works!"

**TIP TWO: ACCESSORIZE!**

"You don't have to go overboard with pink to look like Sharpay. If you're not a big fan of Sharpay's favorite color, just add a pink accessory to your outfit. A small pink purse or a pink hair band will do."

**TIP THREE: BE BOLD WITH COLOR!**

"Sharpay is growing up in the new movie, so she doesn't wear pink all the time. She wears bold colors like bright red, bright turquoise and bright yellow – but she also wears white and silver outfits, too."

**TIP FOUR: ADD SOME SPARKLE!**

"Sharpay's outfits always sparkle, so why not add a little shimmer to your wardrobe? Attach glittery rhinestones to your sneakers or around the pockets of your jeans. Stand out from the crowd as you sparkle and shine, just like Sharpay does in the new movie!"

**TIP FIVE: BE A PRINCESS FOR THE DAY!**

"One of Sharpay's classic looks from the past involves a glittery tiara she wore in HIGH SCHOOL MUSICAL 2 – and Boi even copied her style by wearing one, too! Want to look like Sharpay? Buy an inexpensive tiara and be a princess for the day, just like Miss Evans herself!"

**TOM MCKINLEY**

Emmy-nominated Costume Designer, Tom McKinley has designed for both film and television. SHARPAY'S FABULOUS ADVENTURE marks his ninth collaboration with Disney Channel. A graduate of the University of Illinois, Tom lives & works in LA with the support of his dog Elliott.

**TIP SIX: NECKTIES ARE SO IN!**

"Our favorite pink lady finds herself with a job in Sharpay's Fabulous Adventure, but she doesn't know what to wear. What does she do? Well, she thinks about the people she knows who have jobs – and one of those people is her daddy. Her dad wears a vest, a shirt and a tie to work – and so does Sharpay. If you're going somewhere smart for the day, why not copy Sharpay and add a stylish necktie to your outfit?"

**TIP SEVEN: ADD SOME HAIR FLAIR!**

"A cheap way to copy Sharpay's style is to add a cute satin headband to an outfit. Sharpay wears headbands in fuchsia pink and lilac in the new movie. Plus, she also adds fun hair accessories like silk flowers and big glittery bows!"

**TIP EIGHT: BAG IT UP!**

"One essential accessory that Sharpay rarely leaves the house without is a big, bold, colorful bag. It doesn't have to be pink, but it has to be big enough to hold her faithful companion: her pet pooch, Boi."

**TIP NINE: STAND OUT FROM THE CROWD!**

"Sharpay is never afraid to stand out from the crowd. In fact, she always makes a statement with her outfits wherever she goes. She's always making heads turn, so try to be bold with your fashion statements. Wear what you want to wear – and shine like a true star!"

**TIP TEN: GET BEJEWELING!**

"Why not get creative and add some sparkles to your outfit? Sharpay would love it! You can buy glittery rhinestones and sequins from craft stores all over the world and they are very easy to stick onto an outfit or an accessory. Make sure you get permission before you personalize your wardrobe, but have fun bejeweling!"

**TIP ELEVEN: BELT UP!**

"We added cute belts to a number of outfits in Sharpay's Fabulous Adventure. In the past, Sharpay has worn jewel-encrusted belts, but one of the iconic outfits from the new movie involves a simple black velvet ribbon around a pink dress. We attached a shiny rhinestone brooch to the ribbon to act as a glittery buckle. Sharpay always shines!"

**TIP TWELVE: BRING ON THE BANGLES!**

"When it comes to jewelry, Sharpay loves anything that sparkles. She wears glittery necklaces and bangles, but you don't have to spend a fortune on copying her look. Head to an inexpensive accessory store and pick up some cheap and cheerful jewelry that adds glitz to your outfit."

**TIP THIRTEEN: HAND IT TO SHARPAY!**

"Sharpay wears a great pair of fingerless gloves in the new movie, but they're very difficult to find in stores. If you see a pair when you're out shopping, snap them up! Wear them with a stylish, glam outfit and see heads spin!"

**TIP FOURTEEN: SASSY IN THE SHADE!**

"When you're a huge star like Sharpay, you definitely need a pair of big, bold sunglasses to hide away from the paparazzi. Find a pair that suits your face and opt for a pink or black color if you want to look like Sharpay. If you're feeling creative, add some crystals or rhinestones to the temple of the glasses for some added panache. Perfect!"
